8/27/84 - Monday - 7:15 PM

Leo Mc Gurin (679-2567) stopped on DWP, John K & I were working on the outhouse. Very friendly. He knew who I am. Knew RTP. He lives over by Alvin Seaman & his sister dog (beagle). He stopped to see if I had seen a tri-colored collie mix -- a female dog in heat. (black-tan-white) I said I would call him <sup>instantly</sup> if I did. He came in & said -- "You've done a nice job of fixing the place up." Wanda Jones stopped at Mc Gurin's and came on about me, said Mc Gurin. He described her as the local Crazy & said not to worry about her. No one takes her seriously. It was a very cordial ten-minute visit.
